

Corporate Travel, Made Simple

Areej Travel is a full-service corporate travel agency providing reliable, personalised travel solutions for businesses in Saudi Arabia.

Established in Al Khobar in 2012, our team brings decades of experience in the Saudi travel industry, with expertise dating back to 1987. We combine industry knowledge, global partnerships and personalised service to keep your business travel efficient and hassle-free.

Global Network, Wherever You Do Business

Our international network of trusted partners enables us to support business travellers across the UK, Australia, Canada, India, Pakistan, the GCC and beyond.

From individual business trips to international corporate travel programmes, we coordinate the journey end-to-end through a network you can rely on.

Our Services

At Areej Travel, we are dedicated to providing exceptional travel solutions that combine top-tier service with cost efficiency. Our comprehensive range of offerings is designed to cater to the unique requirements of business travellers, ensuring convenience, quality, and value. These include:

- ✈ **Complete Corporate Travel Solutions:** From the first booking to the final transfer, we coordinate the essential details of your business journey with efficiency and care.
- ✈ **Flights:** International and domestic air ticketing with route options and fares tailored to your business requirements.
- ✈ **Hotels:** Corporate accommodation selected around your travellers' preferences, locations and budgets.
- ✈ **Transfers and Car Hire:** Reliable ground transportation and private or group transfers to keep business travel running smoothly.
- ✈ **Events & Business Travel:** Travel coordination for meetings, conferences, corporate events and executive gatherings.

Your Business Comes First

Business travel should work around your company — not the other way around. We provide personalised travel support designed around your schedules, requirements and budget, helping you travel with confidence while keeping your business moving.
